FIXED INCOME – LOAN NOTES

PRODUCT THREE

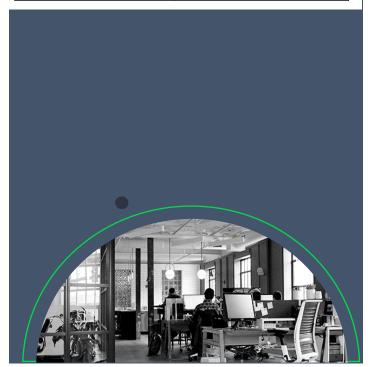

This product is a specialist litigation financier and provides litigation funding solutions to small-medium sized UK law firms. The financing funds small ticket ATE ("After the Event") cases and associated disbursements which are fully insured by an ATE insurance policy.

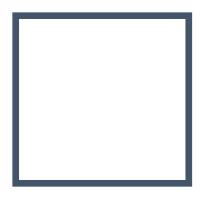

This product is solely focused on funding smaller cases with an established legal precedent at high volumes. These protocol-driven consumer claims (housing disrepair, financial mis-selling, etc) offer a high potential for success.

The Loan Note issued by this provider offers qualified investors a fixed income (paid quarterly) with a choice of two options:
